

## **PROFILE**

I am the oldest of 6 children. I am an eagle scout who earned my award by doing the service project (which was collecting medicine for kids in Haiti) at your facility by convincing your customers to purchase medication. I'm currently a senior at Murray High school. I've completed 6 AP college classes and have passed 7 AP tests (U.S. History, World History, Biology, Calculus BC, English Literature and Composition, English Language and Composition, and Chemistry) and 5 SLCC college classes (Math 1060 College Trigonometry, Math 1050 College Algebra, SLCC Music 1010, SLCC Biotech 1010, and SLCC Personal Finance 1050). My composite GPA is a 3.96. I have taken the act and scored a composite score of 30. I was offered 3 academic scholarships at Utah State University, The University of Utah, and Southern Utah University for the fall semester of 2013. I am a very friendly and responsible person who will take pride and responsibility in getting the job done and people love to be around me.

## **EXPERIENCE**

### **YARD WORKER, DAVE NICPONSKI'S YARD MAINTENANCE; MURRAY, UTAH — 2007-2012**

Every week I cleaned up his yard. I went over 3 times a week and made \$10 a week. Dave Nicponski (my employer) was a very friendly man who loved the hard work I did for him. I don't work for him now because the winter prevents him from really needing any yard work to be done on a weekly basis.

### **STALL CLEANER, CIRCLE A STABLES; MURRAY, UTAH — SUMMER 2011-FALL 2011**

About Twice a week I hauled saw dust (for bedding) into the stalls that had recently been cleaned. I was paid \$1 for each wheelbarrow of saw dust I hauled. Valery Atkinson (my employer) loved having me around and told me she loved my work ethic and responsible behavior. I always took responsibility when I made a mistake and always followed her directions precisely. I don't currently work for her because she doesn't need me as much as she used to and I want to get a new job with a constant obligation to work hard.

### **LAWN MOWER, VAL HUNT'S LAWN MOWING; MURRAY, UTAH — 2008-2012**

Every week I went over to Val Hunt's house and mowed his lawn. He paid me \$10 a mow. I loved working for him, and he always thanked me for the work I did. I also helped him with other chores around the yard occasionally with a positive attitude and no extra charge. I don't work for him now because of the winter and his lawn isn't mowing. I also have a desire to work more than 1 day in a single week.

## **EDUCATION**

Graduate of Murray High School Class of 2013.

## **SKILLS**

I've always loved animals. In my lifetime I've owned and cared for a rabbit, 2 dogs, and 2 fish. I've also tended and cared for my neighbors 3 dogs when they went out of town and my classes hermit crabs over the weekend. I'm trustworthy, responsible, hard-working, and friendly. I love working hard with people to accomplish a common goal. I'm very physically fit, I've played hockey for about 8 years now and I love the outdoors. I also can use a computer effectively as well as other electronic devices. I'm a fun person to be around who will work hard, obey orders, and always try my best to do what is asked of me. I'm not afraid to ask for help from my superiors when I need it, and I willingly take responsibility for my actions when I make a mistake. I've helped coached my brother's hockey team before and I constantly want to be doing something worthwhile and productive.
